Anaesthesia

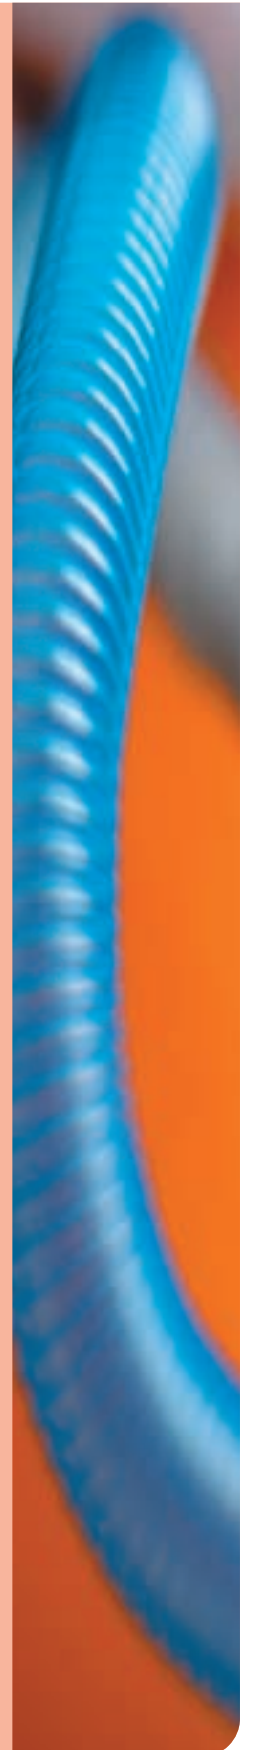

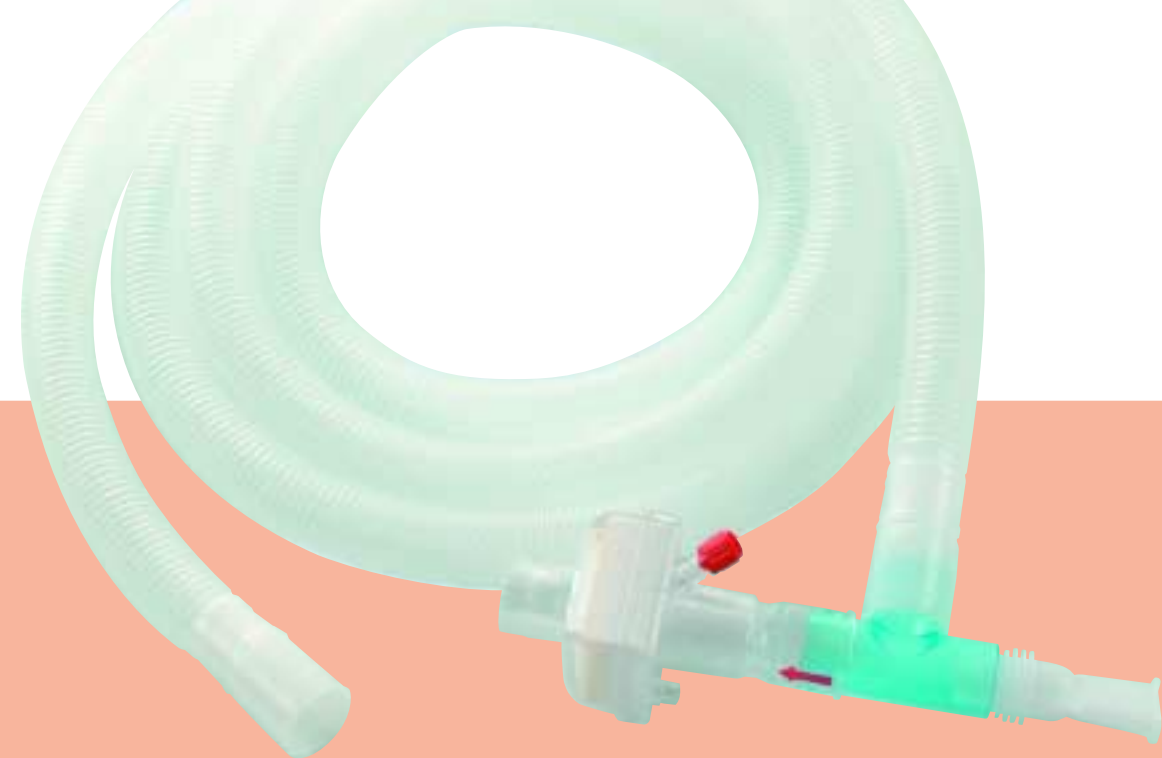

Local response, global expertise

Unomedical leadership

As you would expect from Unomedical, their Anaesthesia product range provides patient-considerate, purpose-designed circuits and ancillaries carefully developed from only highest quality to use. High performance at realistic prices.

Anaesthesia Products

- Anaesthetic Circuits
- Obstetric Circuits
- Accessories
- Filters
- ET/TT Tubes

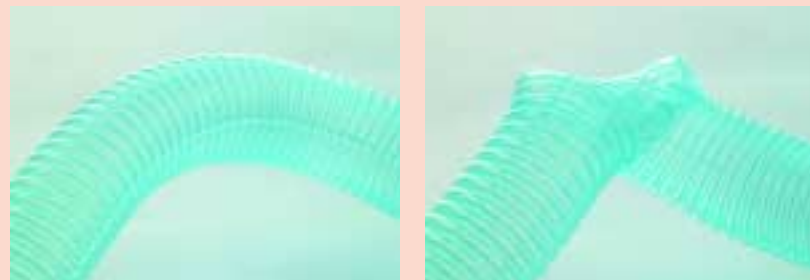

Anaesthetic Circuits

Anaesthetic Circuits are manufactured in Australia. Unomedical is able to custom manufacture circuits to meet customer requirements

Product Features

- High quality corrugated tubing with good drapability and flexibility
- Kink resistant
- Connectors (22mm) conform to AS/NZS 2496 and provide secure leak-resistant attachment
- Available in a range of lengths and configurations
- Neoprene (non latex) breathing bags
- Single use design reduces risk of contamination
- Custom options available

Corrugated Circuit Safety Design

No blockages will occur if the circuit is accidentally twisted or kinked.

REF.	Description	Order Qty
1675-00	Swivel Wye without Sampling Port	50
1750-00	30 Metre Corrugated Tube Cuffed every 150mm - Blue	1
1791-15	1.5 Metre Circuit with Gas Sampling Port & 2 L Neoprene Reservoir Bag with 1.5 Metre Tube and extra 1.2 Metre tube (4 pieces)	20
1791-30	3.0 Metre Circuit with Gas Sampling Port & 2 L Neoprene Reservoir Bag with 3.0 Metre Tube and extra 1.2 Metre tube (4 pieces)	20
1795-15	1.5 Metre Circuit with Gas Sampling Port & 2 L Neoprene Reservoir Bag with 1.5 Metre Tube	20
1795-18	1.8 Metre Circuit with Gas Sampling Port & 2 L Neoprene Reservoir Bag with 1.5 Metre Tube	20
1795-27	2.7 Metre Circuit with Gas Sampling Port & 2 L Neoprene Reservoir Bag with 1.5 Metre Tube	15
1800-18	1.8 Metre Circuit, Wye Swivel without Gas Sampling Port	25
1781-00	1.8 Metre Circuit, Wye Swivel with Gas Sampling Port	25
1796-18	1.8 Metre Circuit with Gas Sampling Port and 2L Neoprene Reservoir Bag with 1.5 Metre Tube and Soft Cuff Connector	20

Obstetric Circuits

2.7 METRE OBSTETRIC CIRCUIT WITH MOUTH PIECE

REF.	Carton Size	Weight	Qty
1788-27	548 x 382 x 567	5.1kg	25

2.7 METRE OBSTETRIC CIRCUIT WITH MOUTH PIECE AND FILTER

REF.	Carton Size	Weight	Qty
1790-27	548 x 382 x 567	5.5kg	20

Accessories

Manufactured from safe, stable non-toxic material. Designed to extend range of intended use.

REF.	Description	Carton Size	Weight	Qty
1670-00	22mm T Piece	200 x 165 x 250	1kg	50
1671-00	Mouth Piece	200 x 165 x 250	1kg	100
1674-00	Swivel Wye with Sampling Port	200 x 165 x 250	1.1kg	50

Gas Sampling Line

NON STERILE

REF.	Description	Qty
656.10.300	With 3 Metre Male Luer Lock Connector	100
